pursuance of the Certificate shown & the Candidate that he was revaccinated after the 10th year. From whom the Certificate referred to should be obtained is not stated. In the case of Mr McCombe the difficulty was that he had no Certificate from Medical Officers as this revaccination though he was to be vaccinated. Mr Deare suggested that in the absence of a Certificate from a Medical man, a Certificate signed by two respectable householders should be allowed. The proposed amendment is silent on this subject. Mr Deare should add a note to this addendum like the following :—

Note :— The Certificate referred to may be either from a Medical Officer or from two respectable householders stating that to their best knowledge the applicant was revaccinated after his 10th year.

The certificate must be such as to satisfy the Medical officer + on this point discretion may be left to him. The amendment as proposed may be approved.
